Commissioner for Patents

Dave Willse
Primary Examiner
Art Unit: 3738

The reply filed on April 24, 2006, is not fully responsive to the prior Office Action because of the following omissions or matters:

The reply fails to "present arguments pointing out the specific distinctions believed to render the claims, including any newly presented claims, patentable over any applied references" (37 CFR 1.111(b)). The reply also fails to specifically point out the support for the amendments made to the claims (MPEP §§ 714.02 and 2163.06).

Attention is directed to 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dave Willse whose telephone number is 571-272-4762. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Corrine McDermott, can be reached on 571-272-4754. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
